

## *Items discussed at the 2022 OLSSI Tech Services roundtable*

Discussing priorities, communication weekly with the department or library staff depending on library size. The need for down time and teamwork.

Difficulty with constant staff turnover.

Issues related to student workers.

Timing issues with invoices, especially international shipments with currency exchange, and end of fiscal year.

As a group, we were mostly 37-40 hr. week full time. Hours in flux due to turnover.

Good resources for training include

[State Library of Ohio](#) - huge list of other resources for both free and pay continuing education

[Library Juice Academy](#)

[Federal Depository Library Program](#)

[OCLC](#)

[Web Junction](#) – Free! Provided by OCLC Research.

[OhioNet](#)

[Ohio IUG](#) - includes some handouts from past conferences

[Amigos Library Services](#)

Ideas for discards/withdraws

[Better World Books](#) – provides boxes and postage

Local recycling – both free and paid

Booksales or sale shelves/carts for patrons

Book resellers – half price books,

Logistics

Tax Exempt issues - vendors not honoring certificates or not wanting to deal with the hassle

Meeples.com? for board game replacement parts - website under construction

Might be <https://www.meeplesource.com/> ?

[Library of things](#) - board games, cake pans, tools - especially gardening, wifi hot spots, science kits, museum passes.
